CONy

**THE 11th WORLD CONGRESS ON
CONTROVERSIES IN NEUROLOGY**

MARCH 23-26, 2017 | ATHENS, GREECE

*Dear Friends and
Colleagues,*

We are proud to announce that the **11th World Congress on Controversies in Neurology (CONy)** will take place in Athens, Greece, in March 23-26, 2017.

In recent years the field of neurology has witnessed enormous expansion in clinical and basic data. Conferences are more informative but there is often only limited time for thorough discussion. Consequently a gap appears between the expansion of knowledge and its dissemination and use. CONy provides a platform for international experts to discuss and compare experiences.

CONy enables participants to discuss and debate unresolved issues with leading world experts. The Congress aims at providing the most available relevant data arming the clinician with reliable, up-to-date scientific information, helping in everyday patient care.

As in the previous CONy Congresses, there are a number of sponsorship opportunities available, including industry-sponsored activities. In addition, we would be happy to tailor a sponsorship package to your specific needs.

We cordially invite you to join us in the beautiful city of Athens!

Sincerely,

Prof. Amos Korczyn
Israel

Prof. Konstantinos Vadikolias
